Miller Pecans Turn In Dates

There are three remaining dates when order forms can be turned in to the Scout office for delivery the following week:

Turn in form by:	for Delivery on:
10/7/22	10/14/22
11/4/22	11/11/22
12/2/22	12/9/22

Please turn in the money for the orders when the order form is turned in.

Click [HERE](#) for a complete calendar for this year's Fall Popcorn Sales Program.

Miller Pecans are grown locally on the Miller family farm pecan trees nestled in the creek beds of the Neosho River Valley.

The price is simple -- it's either \$10 or \$15 per item (see the [order form](#))

Units and the Council will share the profit 50/50.

For example:

For each \$10 item sold, the unit gets to keep \$2.62

For the Mammoth Pecans at \$15, the unit gets to keep \$3.50

Scout Shop offers a discount on Scout uniforms

Are you new to Scouting and need a uniform?

Or maybe your Scout has outgrown their current uniform. Or, perhaps, their uniforms took a beating during summertime adventures and need to be replaced.

Whatever the need, the [Scout Shop](#) is here to help.

Starting this month and running through October 30, when you buy a uniform shirt, you get a 10% discount on the bottoms, including pants, shorts, or skorts.

Tips for preparing your Cub Scout for a Raingutter Regatta

Cub Scouts not only compete in the Pinewood Derby, but some also do the Raingutter Regatta.

To help parents and Cub Scouts get ready for this fun-fueled boat racing event, the *On Scouting* blog has published a quick list of five helpful tips to craft a winning sailboat:

1. Use the official Raingutter Regatta racing kit.
2. Practice blowing the sails.
3. Make sure your boat doesn't break the rules.
4. Don't use water-based paints.
5. Make sure you have fun.

You can read a breakdown of each of these tips [here](#).

If you want instructions on building a boat, [see this page](#) from Scout Life magazine.

Sailboats are raced down a length of water-filled rain gutters, powered by the Cub Scout blowing into the sail through a soda straw.

Each Cub Scout races in several heats, and the fastest time determines the winner. The best technique for winning is focusing on a small, concentrated area. But keep close watch over your Cub Scouts so they don't lose their breath!

Coach your Cub Scout on testing his or her sailboat at a pond or pool before the race, concentrating on the airflow, or taking deep breaths to maximize air output.

The Council office has a Raingtter Regatta track that units can check out to hold their own Regatta. Call the Scout Service Center at 918-336-9170 to reserve the track and arrange to pick it up.

10 Things Every New Cub Scout Leader Needs to Know

Congratulations! You've just volunteered to be a new Cub Scout leader, and you're about to embark on one of the most satisfying journeys of your life.

If you've never done this before, it can initially seem a little overwhelming. Don't worry. We've got your back.

We surveyed a handful of people with a wide range of experience in Cub Scouts about what new leaders need to know and do. What we found was revealing: Whether it was a volunteer with just a few years of experience, a volunteer with tons of experience, or the professionals who literally helped create the current program, their answers were remarkably the same.

We've compiled them into a [list](#) for your convenience.

Earth Day 2023 Volunteer Event

When: Saturday, April 22, 2023

Where: Phillips 66 downtown parking lot and District 2 County Barn in Dewey

What: During the event, residents line up in their vehicles to drop off their hazardous waste at each location.

About 130 volunteers are needed on the day of the event to help move the waste from the vehicles to the waste vendor's sorting area.

Safety is a top priority so all personal protective equipment, including safety glasses and gloves, will be provided during the event, along with breakfast and/or lunch.

The minimum age for volunteers is 16. Volunteers from 16-18 need to be accompanied by an adult.
