Scout Shop offers a discount on Scout uniforms

Are you new to Scouting and
need a uniform?

Or maybe your Scout has outgrown their current
uniform. Or, perhaps, their uniforms took a beating

during summertime adventures and need to be replaced.

Whatever the need, the [Scout Shop](#) is here to help.

Starting this month and running through October 30, when you buy a uniform shirt, you get a 10% discount on the bottoms, including pants, shorts, or skorts.

10 Things Every New Cub Scout Leader Needs to Know

Congratulations! You've just volunteered to be a new Cub Scout leader, and you're about to embark on one of the most satisfying journeys of your life.

If you've never done this before, it can initially seem a little overwhelming. Don't worry. We've got your back.

We surveyed a handful of people with a wide range of experience in Cub Scouts about what new leaders need to know and do. What we found was revealing: Whether it was a volunteer with just a few years of experience, a volunteer with tons of experience, or the professionals who literally helped create the current program, their answers were remarkably the same.

We've compiled them into a [list](#) for your convenience.

Earth Day 2023 Volunteer Event

When: Saturday, April 22, 2023

Where: Phillips 66 downtown parking lot and District 2 County Barn in Dewey

What: During the event, residents line up in their vehicles to drop off their hazardous waste at each location.

About 130 volunteers are needed on the day of the event to help move the waste from the vehicles to the waste vendor's sorting area.

Safety is a top priority so all personal protective equipment, including safety glasses and gloves,

will be provided during the event, along with breakfast and/or lunch.

The minimum age for volunteers is 16. Volunteers from 16-18 need to be accompanied by an adult.
