[Global Scouting Calendar](#) is the tool you should use.

Until now, if you wanted to search for Scouting activities outside our Council, you had to access each and every council's calendar and weed through them looking for an event.

Now you can find all kinds of Scouting events across the U.S. by using the [Global Scouting Calendar](#).

A search in the [Global Scouting Calendar](#) will find Scouting activities in the following categories:

- All dates or enter a date range;
- All zip codes or enter a specific zip code and distance;
- All states or enter a specific state;
- All event types or click on a specific event type, such as Advancement, Program or Camp Event, Training & Leadership, etc.
- All program types or click on a specific program type, such as Cub Scout, Exploring, Scouts BSA, Sea Scout, STEM, or Venturing.

Every event that matches the selected criteria will display in chronological order, with a link to the event information and registration.

Give the [Global Scouting Calendar](#) a try and expand the events you can offer Scouts in your unit.
