Each **FACILITY** - campsites, cabins, shooting ranges, climbing wall, zipline, dining hall, etc. - is listed individually with pictures and a description.

Selecting a specific facility provides the ability to check the facility's availability on a specific date or browse the facility's calendar.

After selecting a specific date for a facility, the rental options are presented. The rental option desired can then be added to the user's order.

Continue browsing each desired facility's availability and adding rental options to the user's order. Then complete the order in the same way as other kinds of orders in the MyCouncil app.
