BSA National Announces Annual Membership Fees

BSA's emergence from bankruptcy represents a pivotal milestone in the Boy Scouts of America (BSA)'s financial restructuring case and solidifies a path forward for survivors and the Scouting movement.

To preserve its mission, the BSA has had to take some extraordinary steps over the past three years to reposition the organization for the future. The BSA has streamlined its professional staff and volunteer structure, reducing costs throughout the movement while maintaining essential services to support the local councils who were critical partners during the bankruptcy.

To position Scouting for the future, the BSA will be required to increase the national annual membership fees for both youth and adults. This has been a difficult decision but is essential to building a strong, safe, and vibrant Scouting program for our nation's youth.

Effective **August 1, 2023**, the BSA will implement the following national membership fees which were approved by the National Executive Committee:

- **\$80** for Cub Scouts, Scouts BSA, Venturing and Sea Scouting participants (\$5 increase)
- **\$60** for all adult volunteers (\$15 increase to provide general liability insurance and enhanced background checks)
- **\$25** one-time joining fee for new program participants in Cub Scouts, Scouts BSA, Venturing and Sea Scouting (Not prorated and no change in fee)
- **\$30** for Scoutreach (Not prorated)
- **\$25** for Merit Badge Counselors (New Fee applies only for Merit Badge Counselors not already registered as leaders)
- **\$50** for Exploring participants Youth & Adult (\$5 increase)
- **\$100** for a unit charter/affiliation fee (no change in fee)
- **\$15** for *Scout Life* magazine

New Annual Membership Fee Process Announced – BSA Will No Longer Prorate Fees for New Members beginning August 1, 2023

Beginning August 1, 2023, all **new** youth and adult members who join Scouting will be enrolled in a 12-month membership cycle and BSA will cease prorating fees. Both youth and adults will pay the full annual membership fee and will renew their membership on the anniversary date of joining Scouting. All proration of membership fees will be eliminated. Each registered member of the BSA will receive an email notice with a registration renewal link beginning 60 days before the anniversary date they joined Scouting. Unit leaders will receive a copy of the email and should stay engaged in the membership renewal process just like rechartering.

It is important to note, existing members will renew their membership during their normal registration/recharter cycle through March 2024. Moving forward all members will renew on their anniversary date.

- Existing members' Anniversary date will be their unit recharter month.
- New members' Anniversary date will be the month they joined.

This new process will help streamline the rechartering and membership renewal process for units and councils. ***Additional information on this membership renewal process will be forthcoming in the very near future.***

What does the National Membership Fee cover?

The national membership fee helps cover the cost of essential services to the local council and units. Services include expanded liability insurance for those participating in approved Scouting activities, enhanced criminal background checks, a variety of program resources, youth protection, leader-specific training, and intellectual property development for national, council, and unit programs.

As BSA moves forward, the organization will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

Across the country and in each of our communities, we know that Scouting remains one of the most valuable investments we can make in youth today so they can become the leaders we will turn to tomorrow. Our dedicated volunteers, staff, and Scouting families make this possible.

Pack 15 and Troop 6 provided activities at Sunfest.

Cubs enjoyed **Osage Hills Day Camp**—thanks to Becke Rakes for being Camp Director again this year.

**OH District Cub Scout Camp
Thank you to the staff and
volunteers**

Cub Scout Day camp would not happen without the 100s, yes 100s of hours that the Osage Hills and Grand Lake Day Camp volunteers put in.

They plan each station, each activity, and each detail, down to the name badge design, shirt design, patch design, how many markers are needed, and how many glue guns/sticks are needed, making sure that each station and its activities will appeal to Cub Scouts.

They take off work and take time away from their families to help. They begin planning for next year's camp before this year's camp is even over. They take note of adjustments that need to be made, activities that kids say would be fun, and ideas that other volunteers have.

Without the volunteers for Cub Day Camp, it simply would not happen.

So a huge **THANK YOU!** goes out to all the volunteers that helped with Osage Hills Cub Day camp:

Station leaders:

- Mike Hurd (BB range)
- Geoffrey Simpson (BB range)
- Louis Trudeau (BB range assistant)
- James Rupprecht (Archery range/Nurse)
- Joey Stone (Archery range/Shuttle driver)
- Carl Reichert (STEM) (GL)
- Jacque Remus (STEM)
- Justin Copeland (from Osage Hills State Parks, Fishing)
- Jessica Young (Nature/ Games) (GL)

Walking Leaders:

- Kevin Anderson (P150)
- Monica Simpson (P150)
- Lauren Young (P15)
- Deena Schwerdtfeger (P5)
- Andrew Benyshek (P150)
- All the Tiger parents

Other volunteers who helped with many different things:

- Lauren Asbury
- Autumn Husong (GL)
- Cayleb Delcour (GL)
- Izzy Rupprecht
- Hagen Remus
- Oliver Rakes
- Kenneth Roark
- Linda Cole

Several volunteers came from our Grand Lake District to help out as well (they are noted above with GL)

An extra thank you to Jessica Young, our Grand Lake Cub Day Camp Director for your enthusiasm, and support and for collaborating to bring the Cubs in both our districts a great camp experience!

And of course, the Staff that helped above and beyond their "office hours"

- Adam Husong
- Summer Lamb
- Ranger Dave Cole

**Tools for Success
Presented by
CAMPMASTERS Popcorn**

This training is good for Popcorn Kernels, Parents, and Unit Leaders. It has been proven successful over and over again, not only providing all the money both the Units and the youth need for their entire year of Scouting, but also teaching skills that will be of benefit throughout life.
