Arrow of Light Den Camping Reminders

The Arrow of Light Scouting Adventure is an important step to preparing Arrow of Light Scouts to transition into a Scouts BSA troop.

Part of this adventure provides them the opportunity to **“participate in a troop’s campout or other outdoor activity. Use the patrol method while on the outing.”**

As with all Scouting activities, this participation must follow the policies of the Boy Scouts of America as outlined in the Guide to Safe Scouting. Here are a few helpful tips:

- It is not required for the Scouts to camp overnight.
 - If the troop and pack do not share the same charter partner, the troop and pack/AOL den must receive permission from the council to hold the join activity.
 - If the outdoor event is an overnight campout and the Arrow of Light Scouts are staying overnight, the Arrow of Light den must camp according to the specific camping guidance for Cub Scout found in the [Guide to Safe Scouting](#).
 - [Scouting’s Barriers to Abuse](#) outline registration requirements for adults. AOL dens must have registered two deep leadership in attendance at the overnight event.
 - What does it mean to “use the patrol method while on the outing? Engage the youth leadership of the troop you are collaborating with to find ways they can help the Arrow of Light Scouts in attendance see and experience the patrol method.
 - Regardless of the activity, verify that your planned Arrow of Light “Scouting Adventure” aligns with the policies in the Guide to Safe Scouting, including whether the planned activities are approved for an Arrow of Light Scout to participate in. Check out the [Age Appropriate Guidelines for Scouting Activities](#) for a reference.
 - Finally the [“SAFE Checklist”](#) is a helpful tool for your Arrow of Light den leaders and Scouts BSA troop youth leaders and adults to review and use as they plan for a successful event.
