Wilderness First Aid Training

Washington County Red Cross is again offering Wilderness First Aid, a 16-

hour training course and required by BSA for Philmont and other backwoods activities.

The course also offers enhanced content to meet OSHA's *Best Practices for Workplace First Aid Training Programs*. Wilderness and Remote First Aid training is also strongly suggested anytime a group is more than 20 minutes from Professional Medical help.

This course includes instruction, participant interaction, and many scenarios. **Participants should be at least 14 years old; knowledge of First Aid and Current CPR is a prerequisite for this class.**

The cost for this Course is \$65. We will have a short break for lunch, which is not included in the course pricing. Our location is near multiple fast-food restaurants or you could bring a sack lunch.

A \$20.00 discount will be available for those who do not need the Wilderness and Remote First Aid Reference guides. If you would like the reference guides, PLEASE let us know at least 10 days in advance of the class.

The course will be held in Bartlesville on January 27 and January 28. **You must attend both classes to complete the course.** A 25-question test requiring an 80% or better and satisfactory completion of all skills are required for completion.

The class will start at 08:30 am and be completed before 6:30 pm each day. **The class will be limited to the first 24 participants.** For further information and to sign up email charlielewis@yahoo.com. **Registration will end on January 22nd.**
