Training Update

Training Code S21 (the old Scoutmaster Fundamentals Course) was retired following updates to the current requirements, which are now covered by:

- S11 (Introduction to Outdoor Leader Skills) and
- S24 (Scoutmaster Specific Online or Facilitated Training).

These courses were separated to provide greater flexibility and accommodate individual schedules.

We strongly encourage all Scoutmasters and Assistant Scoutmasters, including those who previously completed S21 (the old Scoutmaster Fundamentals course), to complete the latest training.

Staying up to date ensures you are well-equipped to deliver the program as designed and effectively support the Scouts in your care.

Youth Protection Training Update

What we've all known as Youth Protection Training (YPT) is now officially called

Safeguarding Youth.

While the name has changed, the mission remains the same—protecting our youth. This new title places the emphasis right where it belongs.

Scouting America has significantly enhanced its Youth Protection Training, making it mandatory for all adults involved in youth activities. **The training now includes more realistic scenarios, expert advice, and first-hand accounts of abuse**, updated regularly. One key change is the annual training completion requirement, rather than the previous two-year cycle.

Here's a more detailed look at the changes:

Announced at the Scouting America National Annual Meeting in Orlando, the new **Safeguarding Youth training** is now live and mandatory for all registered adult volunteers. It is also a joining requirement for new adult members.

Course Details:

- Duration: ~90 minutes
- Available in English and Spanish
- Access it through my.scouting.org
- Requirements: Complete all lessons + score 80% or higher on the final test

Annual Refresher:

After completing the full course once, a 15-minute refresher and retest are required each year to stay current.

Transition from Previous YPT:

- If you've already completed Youth Protection Training (YPT), your certification remains valid.
- If you're currently taking YPT, you have less than one week to finish it. After that, it will no longer be available, and the new Safeguarding Youth training will be required.

Why This Matters:

Youth protection is at the heart of everything we do. This updated training reinforces a culture of active supervision, situational awareness, and safety, ensuring we're all equipped to help keep our Scouts safe.
